

**I go to school by  
bus**

**In the morning I go to school by bus.**

**I can wait for the bus at the stop with an adult.**

**Usually, the bus comes at about the same time every day.**

**When the bus comes, I get on and sit down.**

**I can put my seat belt on.**

**The seat belt keeps me safe on the journey.**

There are other children on the bus, and sometimes it is noisy.

I can look out of the window, rest or put on my ear defenders.

The journey lasts a while, and then we arrive.

**Sometimes the bus is late or goes  
a different way.**

**I can ask the adult who looks  
after the bus.**

**That person knows where we are  
going.**

When we get to school, I get off  
the bus.

I can walk with my group to the  
entrance.

Now I am at school.
