

**I go to the toilet at
school**

**At school, sometimes I need the
toilet.**

**I can ask my teacher with words
or with my card.**

**Everybody needs to go to the
toilet.**

**The school toilets can be noisy,
like the hand dryer.**

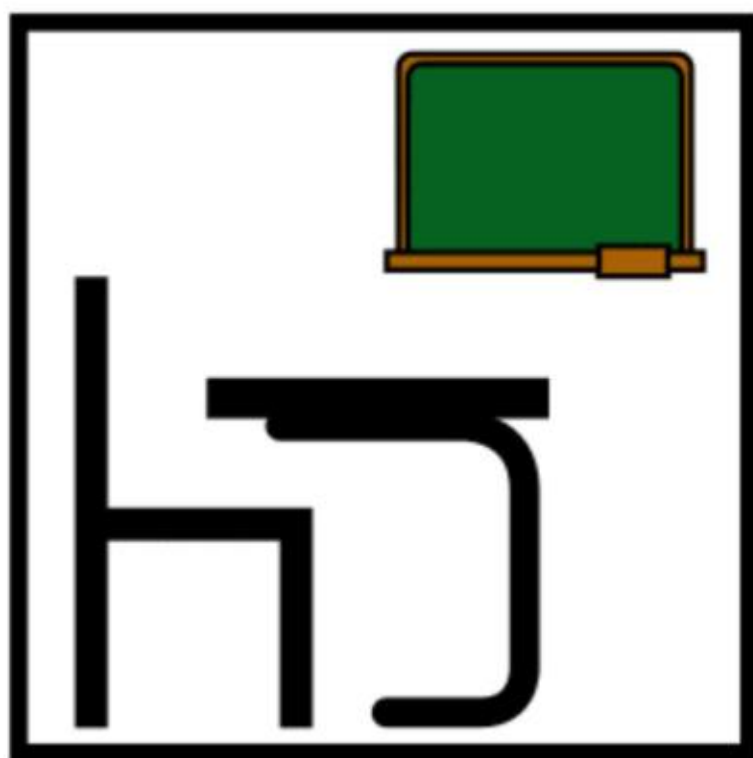

**If the noise bothers me, I can
cover my ears.**

**The dryer runs for a while and
then stops.**

When I finish, I flush the toilet.
I can wash my hands with soap
and water.

Then my hands are clean.

Then I go back to class.
I can come in quietly and sit in my
place.
My teacher knows I went to the
toilet.
