

**I have lunch in the
dining hall**

At lunchtime, some children eat in
the school dining hall.

Before eating, I can wash my
hands.

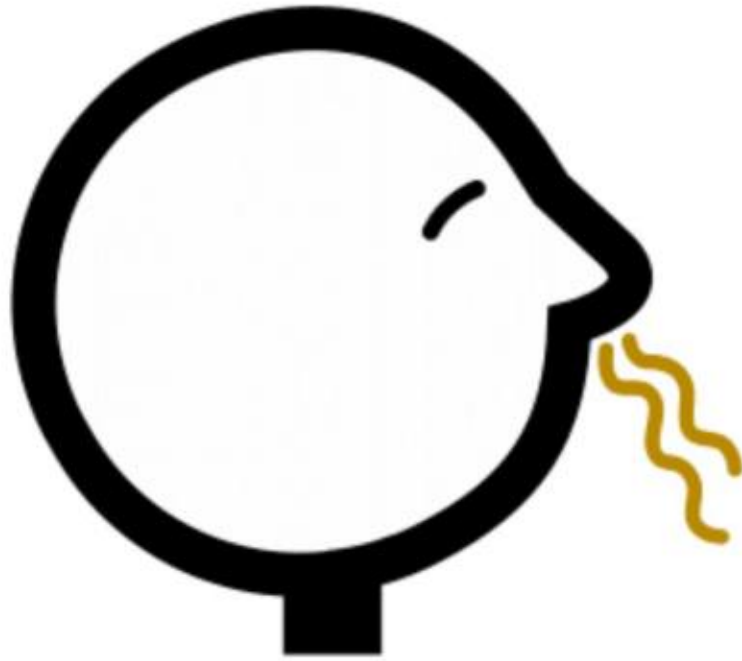

Then my hands are clean for
eating.

There is often noise and lots of smells in the dining hall.

If the noise bothers me, I can use my ear defenders or tell an adult.

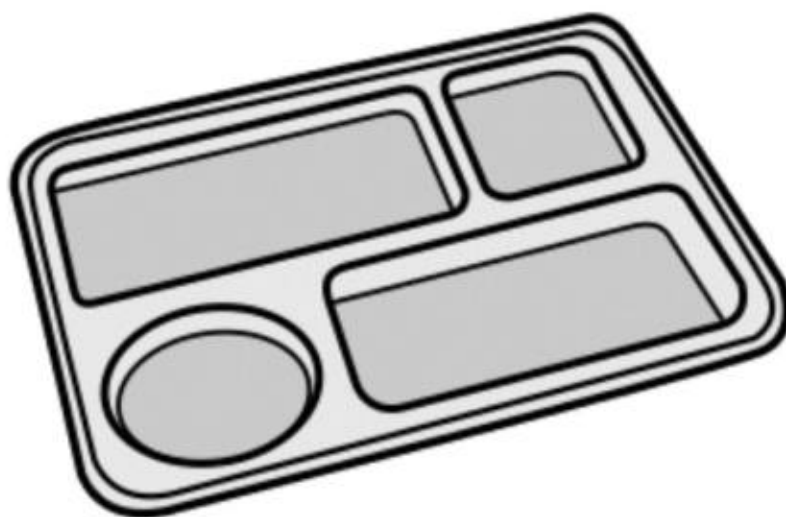

There are people in the dining hall who can help me.

**Sometimes there is new food, or
food I do not like.**

**I can look at it, smell it or try a
little.**

**Getting to know new food takes
time.**

When we finish, we clear our trays.

**I can take my tray to the place I
am shown.**

Next comes playtime or a rest.
