

**We are going on a
school trip**

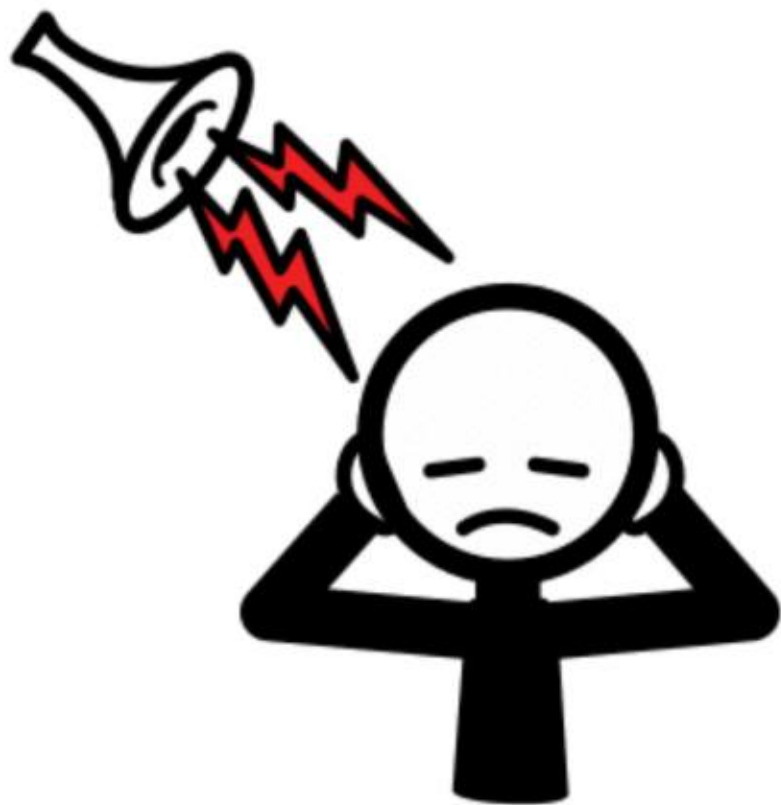

On some days, my class goes on a school trip.

I can ask my teacher where we are going.

If I see photos of the place, I know better what I will find.

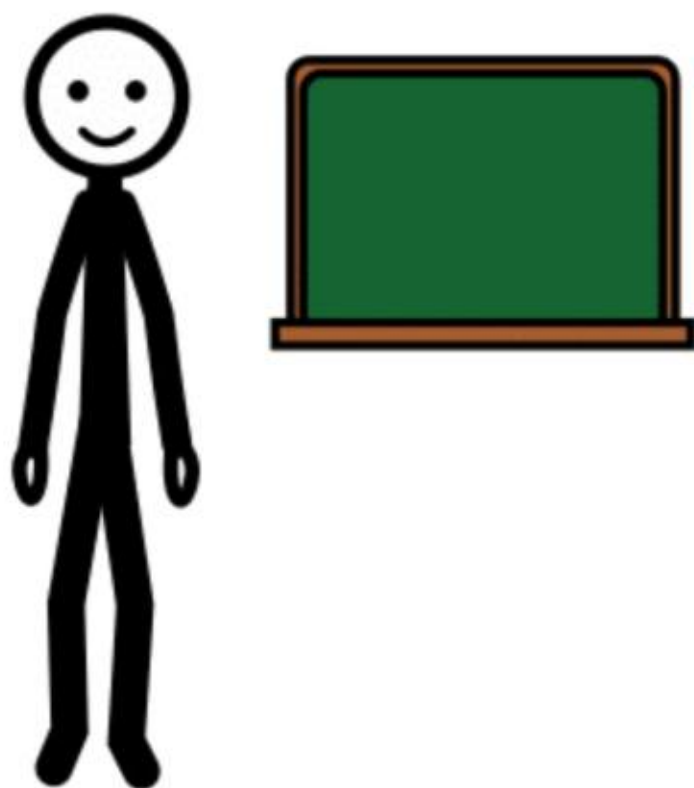

Usually we go by coach.
I can sit in my seat and put my
seat belt on.
The journey is part of the trip.

The new place might have noise,
people or things I do not know.

If I feel overwhelmed, I can tell
an adult.

I can rest for a moment
somewhere quieter.

On the trip, the class stays
together as a group.

I can check where my teacher is.

That way, my teacher knows
where I am.

When the trip ends, we go back to
school or home.

I can tell my family what I saw.

It has been a different kind of
day.
