

I wear glasses

**I have been given glasses to help
me see better.**

**I can choose where I keep them
when I am not wearing them.**

**With my glasses, letters and faces
look clearer.**

At first they feel odd on my nose
and ears.

I can wear them for a while each
day and slowly make it longer.

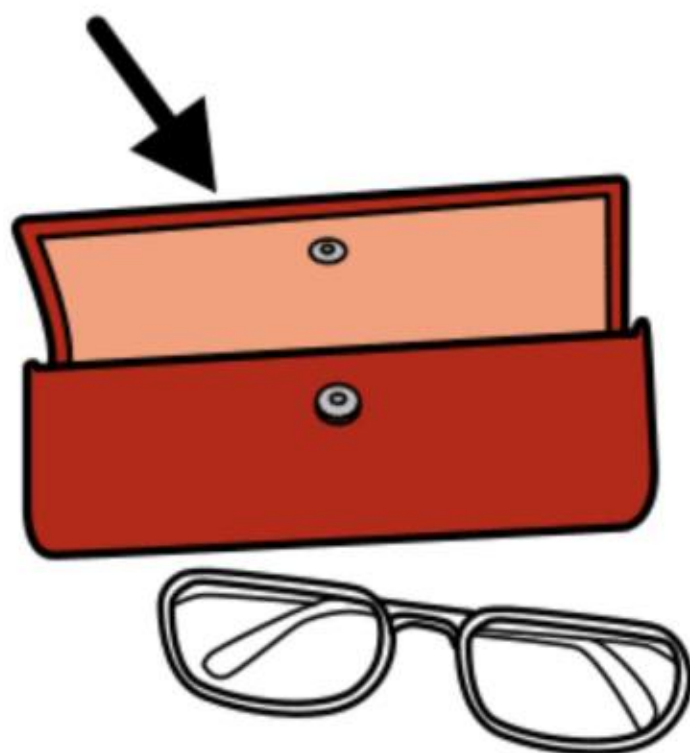

Almost everyone finds them odd
for the first few days.

Sometimes they bother me or I
get tired of wearing them.

I can say so and take them off for
a moment.

Saying so is better than putting up
with it in silence.

Glasses get dirty and are cleaned
with their cloth.

I can keep them in their case so
they do not break.

If they break, they get mended or
replaced.
