

I wash my hands

**I wash my hands before eating
and after using the toilet.**

**I can turn on the tap and touch
the water with one finger.**

**That way I check if it is cold or
hot.**

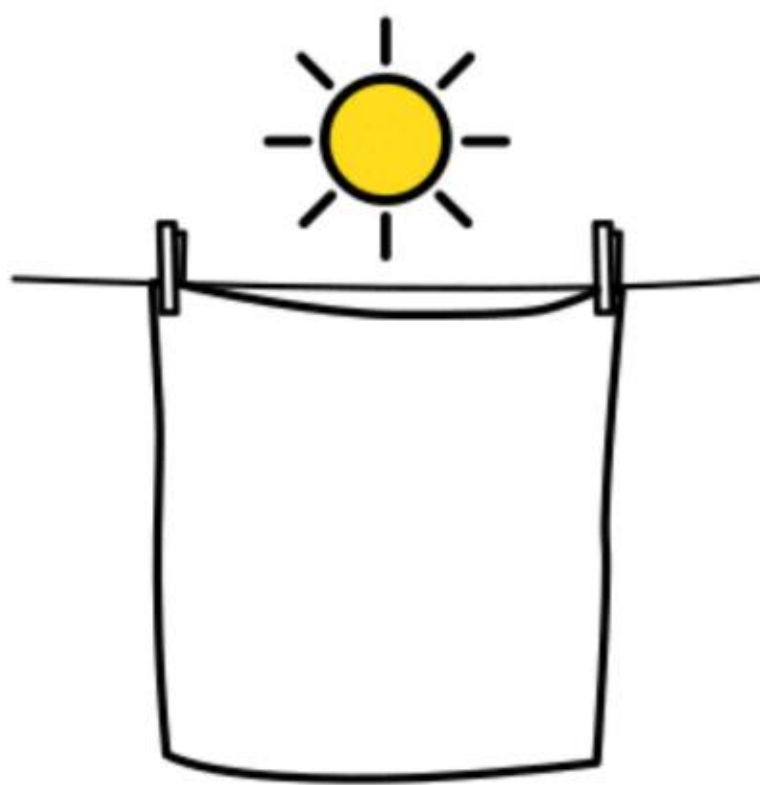

I put on soap and rub my palms,
between my fingers and my nails.
I can count to twenty while I rub.
Counting tells me how much is left.

**I rinse my hands until all the foam
is gone.**

**I can turn off the tap when I
finish.**

**The water takes away the dirt and
the soap.**

I dry my hands with a towel or
paper.

I can dry well between my fingers,
where water stays.

With dry hands, my clothes do not
get wet.

I wash my hands
