

**We are moving
house**

**My family is going to live in
another house.**

**I can ask what day we are
moving.**

**Knowing the day helps me get
ready.**

**Before the move, we pack things
into boxes.**

**I can help pack my favourite
things.**

**My things come with me to the
new house.**

The new house is different.
I can look at photos of the new
house before we go.
Then I already know it a little.

My new bedroom is different too.
I can help decide where my things
go.

Little by little, the new bedroom
becomes mine.

Sometimes I miss the old house.

**I can say how I feel or look at
photos of the old house.**

**Missing it is normal. In time, the
new house becomes familiar.**
