

**We are going to the
park**

The park has swings, a slide and
other things to play on.

I can choose what to go on first.

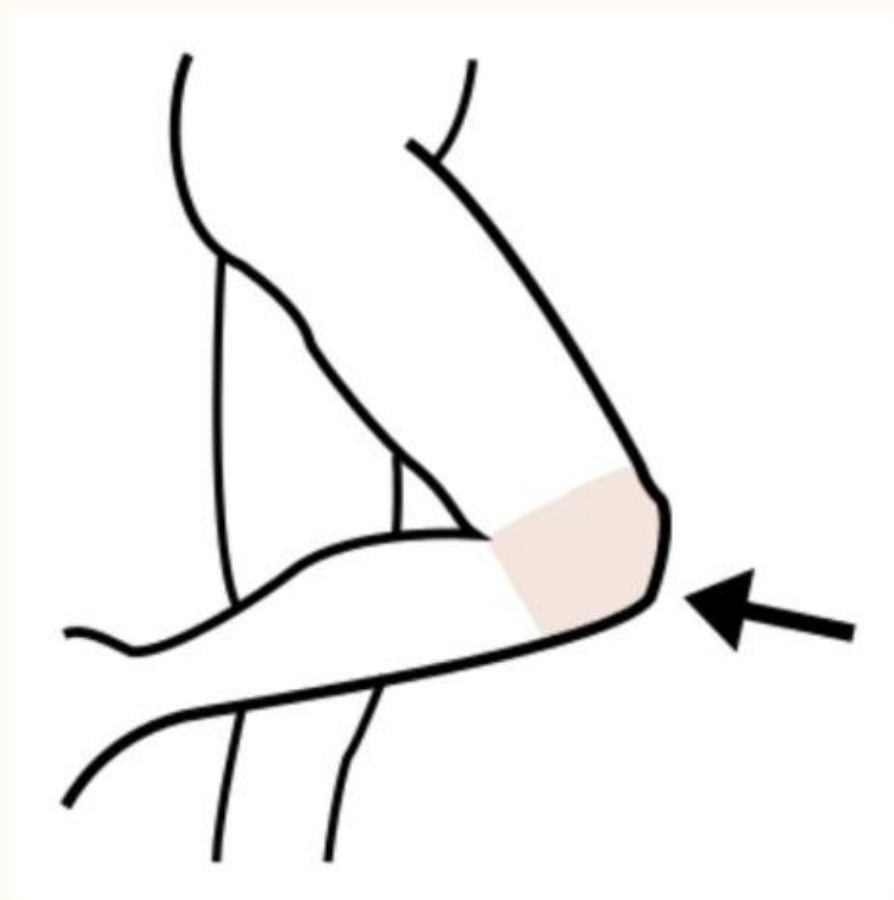

The play things are for all the
children.

Sometimes another child is using
it.

I can wait for my turn or go on
something else meanwhile.

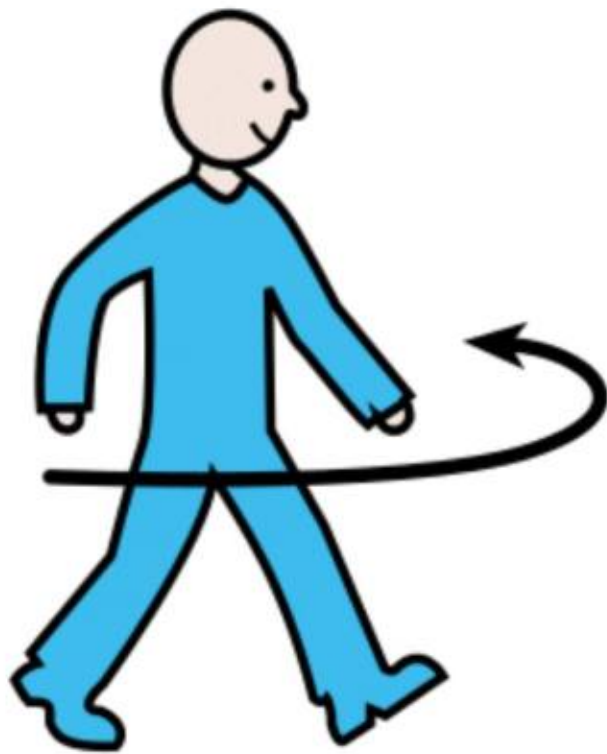

My turn comes when that person
finishes.

**Sometimes someone falls over in
the park.**

**If I fall, I can tell the grown-up
with me.**

**Most times it is a bump that soon
passes.**

Before we leave, they tell me there
is not long left.

I can choose what to go on one
last time.

We come back to the park another
day.

We are going to the park
