

**I am having a
haircut**

Today I am going to the
hairdresser to have my hair cut.
I can watch in the mirror while my
hair is cut.

Cutting hair is the hairdresser's
job.

Sometimes they wet my hair with
water.

I can say if the water is too cold
or too hot.

Then they can change it.

**The scissors and the clippers make
a noise near my ears.**

**I can ask them to tell me before
they use the clippers.**

**If they tell me, the noise is less of
a surprise.**

Sometimes little hairs fall on my
face and neck, and they itch.
I can ask them to brush the hairs
off.

The little hairs come off at the
end.

**At the end, I look in the mirror.
I can say thank you and goodbye.
My haircut is done.**
