

**We are going to the
swimming pool**

At the pool there is water, people
and echoes.

I can take my towel, swimming
costume and flip-flops.

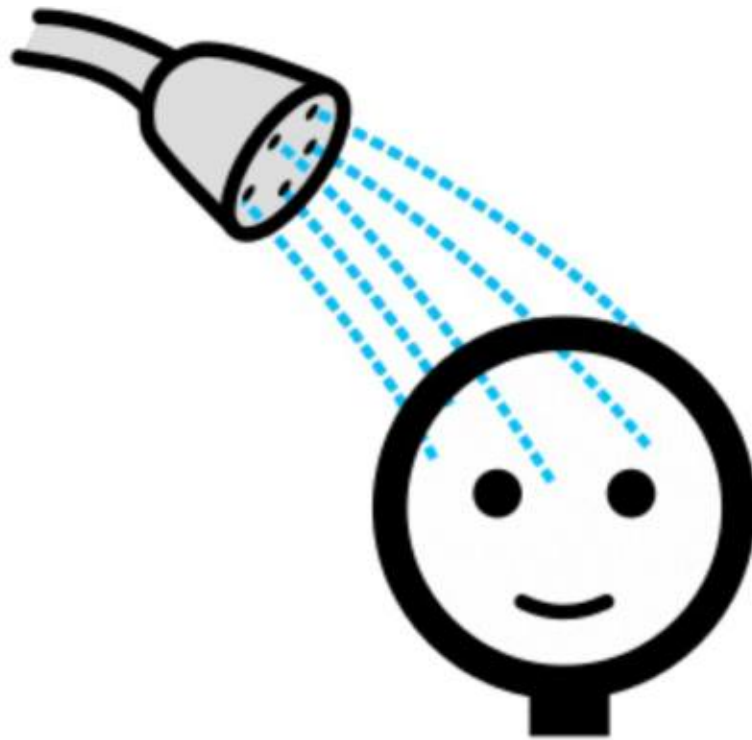

Having my things helps me feel
comfortable.

**First I get changed in the
changing room.**

**I can use a cubicle to get
changed.**

In the cubicle I have privacy.

Before getting in the water, we
have a shower.

I can say if the water is cold.
The shower cleans my body before
swimming.

At the pool, lifeguards look after
people.

I can stay where I can touch the
bottom or wear armbands.

That way I am somewhere safe
for me.

When we finish, I dry myself and
get dressed.

I can dry my ears well with the
towel.

I have spent some time in the
water.
