

**We are going to the
beach**

The beach has sand, parasols and
lots of people.

I can take off my sandals or keep
them on.

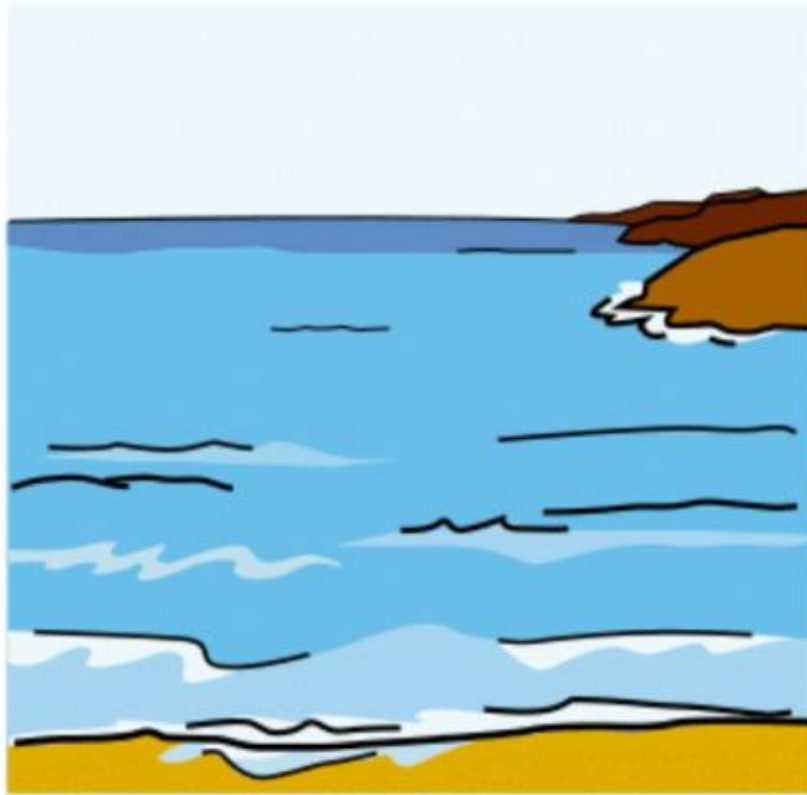

The sand is hot when it is sunny.

Before playing, I put on sun
cream.

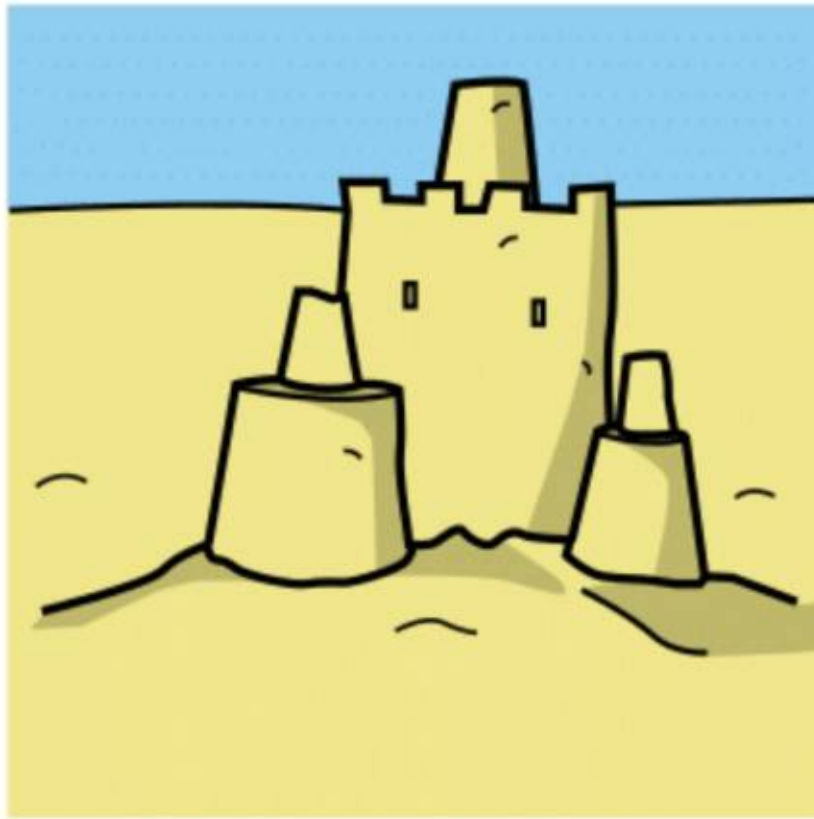

I can put it on my arms and legs
myself.

The cream looks after my skin in
the sun.

**The sea makes waves and they
are noisy on the shore.**

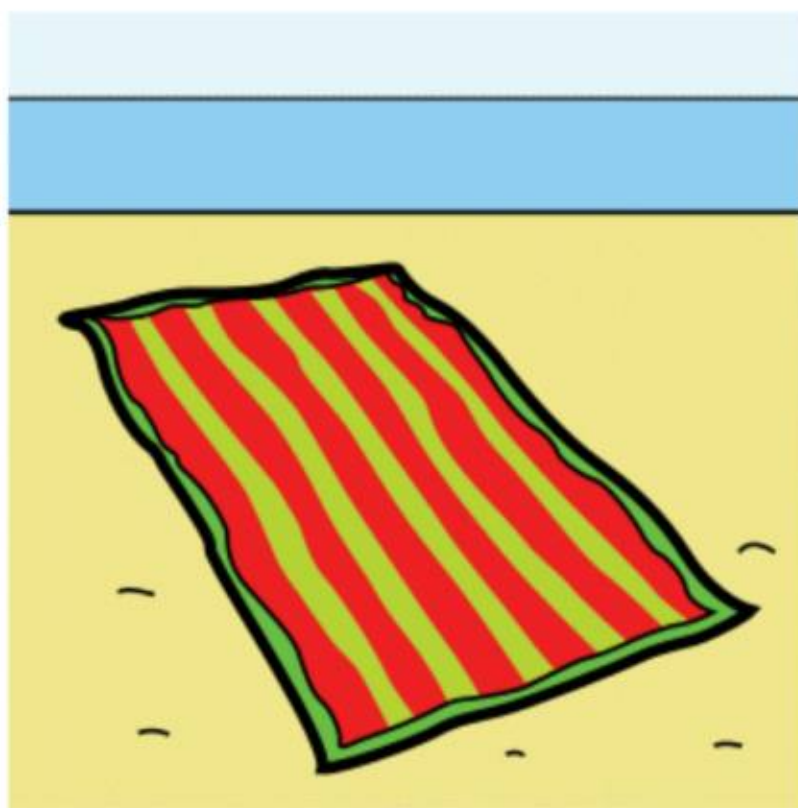

**I can just get my feet wet at first.
I can go in further when I want to,
with a grown-up.**

**In the sand we can build castles
and dig holes.**

**I can play with my bucket and
spade in my bit of sand.**

**If the sand bothers my hands, I
can wash them.**

**At the end, we shower to wash off
the salt and sand.**

**I can dry myself with my towel
and put on dry clothes.**

We go home clean.
