

**When there is a
storm**

Sometimes the sky goes dark and
it rains a lot.

I can look out of the window from
inside the house or school.

Inside a building, I am sheltered.

**In a storm there can be lightning
and thunder.**

**I can count slowly after I see a
flash of lightning.**

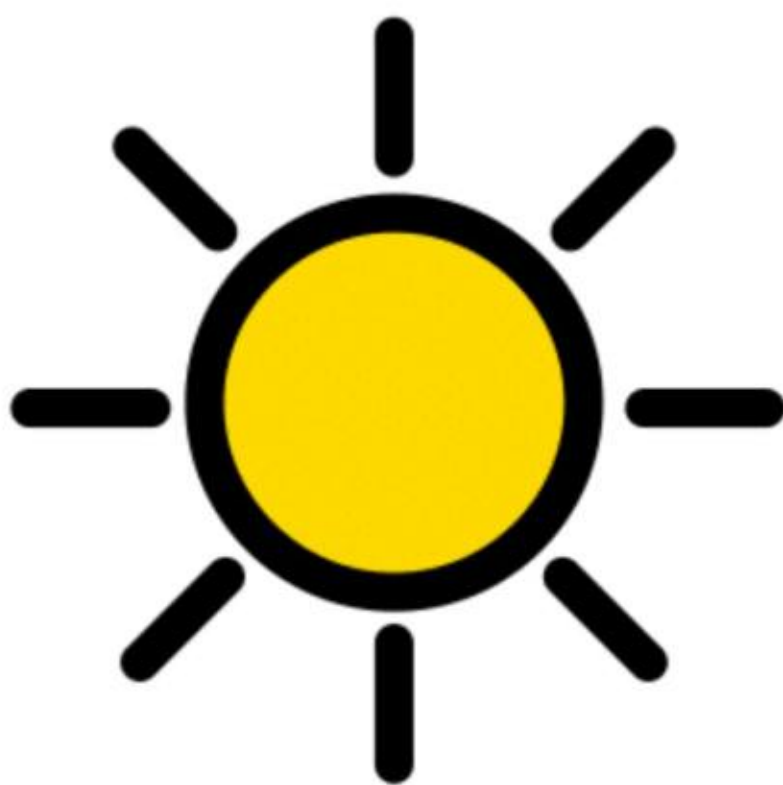

**Thunder is the noise that lightning
makes.**

Thunder is very loud.

**I can cover my ears, put on my
ear defenders or hug something
soft.**

Each clap of thunder is short.

Little by little, the storm moves
away.

I can listen to the thunder getting
further away.

After the storm, the sky is calm
again.

When there is a storm
