

I wait for my turn

In class and in games, we talk and
play in turns.

I can look at whose turn it is now.

Everyone gets a turn.

Waiting can be hard.

While I wait, I can count slowly or
squeeze my hands.

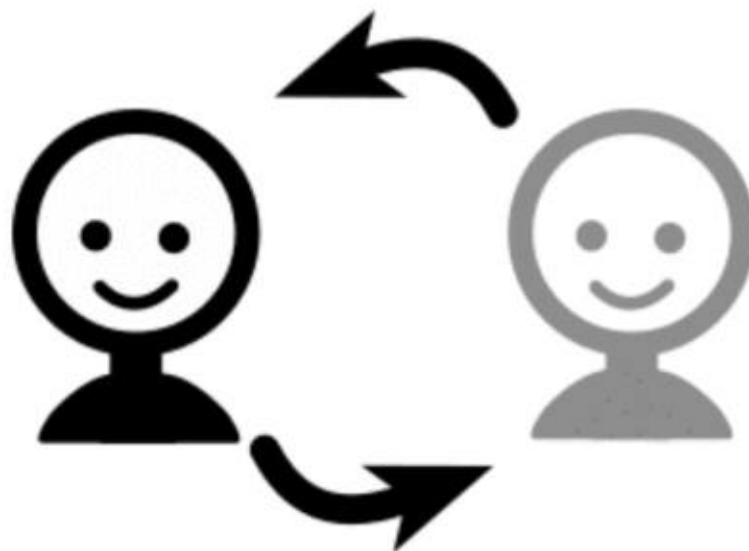

Doing something with my hands
helps me wait.

When it is my turn, someone tells
me.

I can talk, play or take what
comes next.

Waiting was worth it.

**Afterwards, the turn goes to
someone else.**

I can wait again.

That way, everyone can join in.

I wait for my turn
