

**The holidays are
coming**

**There is no school during the
holidays.**

**I can mark the holiday days on a
calendar.**

**Then I can see when I go back to
school.**

In the holidays, the days are different.

I can have a holiday timetable with pictures.

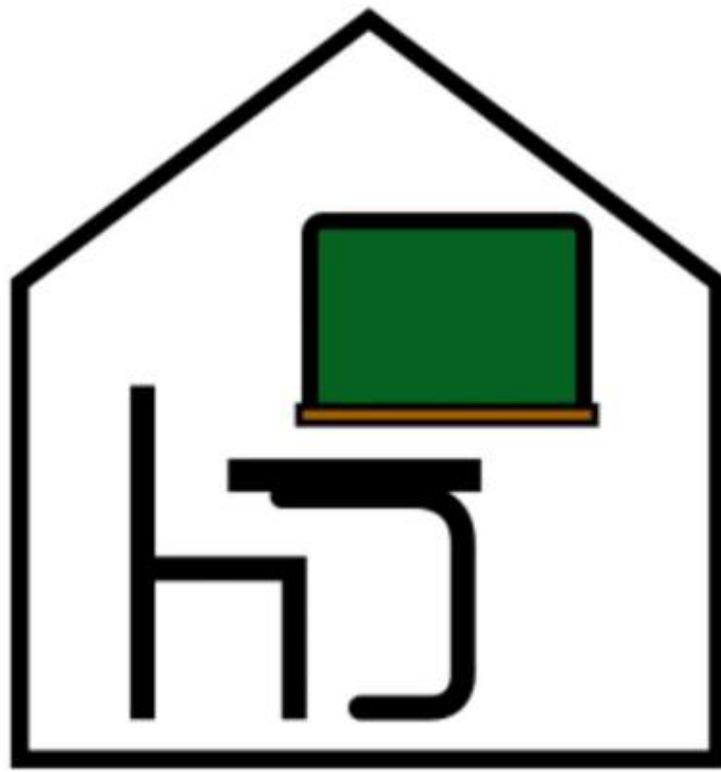

The timetable tells me what we are going to do.

Sometimes we travel or visit new places.

I can look at photos of the place before we go.

If I see the place first, I know better what to expect.

The holidays come to an end.
A few days before, I can look at
photos of school.
That helps me get ready to go
back.

The holidays are coming
